

Community Supports

For the Medi-Cal community needing support to achieve independence, 24 Hour Home Care's CalAIM services offer an opportunity to receive in-home care and avoid unnecessary facility-based care.

COMMUNITY SUPPORTS OFFERED

Personal Care & Homemaker

GOAL

To provide supports to manage healthy conditions at home instead of a higher-cost facility-based setting.

SERVICES & SUPPORTS

- Personal Care
- Meal Preparation
- Medication Reminders
- Supervision/Socialization
- Light Housekeeping

SERVICES LIMITATIONS

- Not a replacement to IHSS
- Cannot exceed 24/7 (including IHSS hours)
- Must be cost effective

ELIGIBILITY REQUIREMENTS

- Above maximum IHSS hours
- Waiting for IHSS decision (initial and/or reassessment)
- If not IHSS eligible, up to 60 days to avoid SNF

Respite

GOAL

To provide a break to the primary caretaker on an intermittent or temporary basis.

SERVICES & SUPPORTS *Three Levels*

- Non-Medical (In-Home)
- Non-Medical Tasks: ADLs/IADLs
- Maintain Typical Routine

SERVICES LIMITATIONS

- Up to 336 hours annually
- Exceptions to annual cap as approved by health plan
- May not exceed 24/7 combined with other services

ELIGIBILITY REQUIREMENTS

- No IHSS connection required
- Require caregiver relief to avoid institutional placement
- Primary caregiver needing relief can be professional caregiver or natural support
